REPORT AND RECOMMENDATION

An October 4, 2012, letter from the Federal Bureau of Prisons, Federal Detention Center in Miami, Florida and a Forensic Evaluation of defendant were received by the undersigned Magistrate Judge. It is the opinion of the examiner that defendant does not suffer from a severe mental disorder that would preclude his ability to understand the nature and consequences of the proceedings against him, or to assist his attorney in his own defense, and that defendant did not suffer from a mental illness that interfered with his ability to appreciate the nature and quality or wrongfulness of his actions.

A waiver of competency hearing signed by defendant and submitted by Atty. Anthony Martinez was filed on November 27, 2012. The Court therefore RECOMMENDS on the basis of the waiver and the Forensic Evaluation that defendant be found competent to stand trial.¹
